

2017 Warrior Baseball Season Review

The Warriors finished the 2017 season with a final record of 15-7. After earning the #2 seed in the district tournament, the Warriors were upset by Arlington in extra innings 1-0. Although it was a disappointing ending to the season, there were a number of highlights throughout the season, including winning the Capital Conference Tournament 2-1 over Platte Valley. The Warriors also broke the all-class state record for lowest team ERA in a season with a 2.21 team-earned run average. We would like to thank all the seniors for their time and effort they put into being a part of this team.
