

Wahoo Public School
Superintendent
Serve the Students Grant

Purpose: Provide opportunities for staff and community to develop projects that provide new opportunities for our students through a mini-grant process. The projects are to be designed for Wahoo Public School students and take place primarily on school property during non-school time. This would include after 4:00 p.m., before school, weekends and during the summer.

Application Process: This page returned to the superintendent of school
Deadline: Ten days in advance of any project
Who can apply: Staff or Community adult with Staff & Principal Sponsorship
