

Saunders County Youth Services

We Offer various Services and Programs:

- Diversion
- ARRIVE
- Community Response
- Therapy (Individual/Family)
- Family Support
- Community Referrals
- OSS Alternative Program

Therapy

Individual and Family Therapy offered to the families of Saunders County

Community Referrals

Resource Manual available on the Website:

<https://saunderscounty.ne.gov/pdfs/juvenile/Resource%20Manual.pdf>

Diversion

Provide an alternative to formal court proceedings to assist youth in making positive changes and take responsibility for their actions through structured activities and community service.

Out of School (OSS) Alternative Program

The OSS alternative program provides supervision for students who receive OSS. They complete their assignments, participate in decision making curriculum and other topics based on their offense.

Family Support

In-home parenting support for families with high-risk youth or those who need additional parenting support.

ARRIVE

Absence Reduction Resources Increasing Valuable Education

The ARRIVE program examines the root cause of attendance problems and assists in resolving the issues that create the barriers to school attendance in a nurturing manner that builds relationships between students, families, schools and the community.

Community Response

Financial support and coaching resource referrals for those in need. Call 211 to be connected.
